

1st CALL FOR PAPERS

2009 EURAS Annual Conference on Standardisation – Standardisation and Corporate Intelligence –

22 – 24 June 2009
Cergy Pontoise (near Paris), France

For their annual interdisciplinary workshop, the European Academy for Standardization (EURAS) solicits papers on all aspects of standards and standardisation. Sample topics include, but are not limited to:

- Research and standardisation
- Standards and technology transfer
- Theory of network industries
- Economics of standardisation
- Standardisation policies
- Standardisation and competitive intelligence
- Management of standards
- Different sciences' perspectives on standardisation
- Legal and regulatory issues in standardisation
- Standards setting and implementation processes
- History and future of standards
- Education on standardisation

Full papers (up to 20 double-spaced pages; pdf, rtf, or .doc format) should be submitted, preferably by e-mail, to:

Kai.Jakobs@cs.rwth-aachen.de

Kai Jakobs

RWTH Aachen University, Computer Science Department, Informatik 4
Ahornstr. 55, D-52074 Aachen, Germany

Authors of accepted papers are expected to serve as discussants upon request. All papers will be reviewed (double blind) by members of the Programme Committee. Particularly good and relevant papers will be fast-tracked to the review process of either the EURAS-Yearbook or the Int. Journal of IT Standards and Standardization Research (JITSR). For more detailed information, please consult the EURAS website (www.EURAS.org).
